At Max Milne Photography we document artworks. Started due to our founders passion and involvement in the the art world we have been serving artists and galleries in Australia for the past ten years.

Who uses our services:

- / Commercial, ARI, and Government galleries
- / Individual established and emerging artists

Services we speacialise in :

- / Location and studio photography
- / Works behind glass and reflective surfaces
- / Works made of reflective materials
- / Performance and installation works
- / Advertising imagery for performance

Be your art two or three dimensional, performance based or gallery situated our experience will make your work sing.
